

Jupiter³¹ and Europa

CANTATA

Recit.

Wide o'er the Oceans watry plain Europa tre..... willing rode unconscious

of the hidden God and often gaz'd around and often sigh'd in vain Th' impetuous waves in

dreadfull horror play'd at length to potent Crete convey'd distracting thoughts oppress'd her mind

her Father Country left behind she gave her self to grief and thus she said

Recit. Whilst thus the Nymph indulg'd her Tears behold the King of Gods appears

his borrow'd Image laid aside array'd in all his native Pride his own Majestick form he wears the

laughter loving Dame preceeds and Cupid with his Bow unstrung triumphantly his conquest leads

The Queen of Love approach'd th'astonish'd Fair she cheer'd her with a smiling Air and thus she sung
