AMADIS,

TRAGEDIE

EN MUSIQVE.

Par Monsieur de Lully, Escuyer, Conseiller Secretaire du Roy, Maison, Couronne de France, & de ses Finances, & Sur-Intendant de la Musique de Sa Majesté.

A PARIS,
Par CHRISTOPHE BALLARD, seul Imprimeur du Roy pour la Musique, ruë Saint Iean de Beauvais, au Mont-Parnasse.
ET SE VEND
A la Porte de l'Academie Royale de Musique, ruë Saint Honoré.
M. DC. LXXXIV.

AVEC PRIVILEGE DE SA MAJESTE'.

AU ROY,

SIRE,

Ie ſatisfaits moins aujourd'huy à l'engagement indiſpenſable où je ſuis, de preſenter tous mes Ouvrages à VOSTRE MAIESTE', qu'au plaiſir que je ſens de luy offrir un Opera, *dont Elle a bien voulu choiſir Elle-meſme le ſujet : I'applaudis avec ioye au choix de V. M. Et le nom d'*AMADIS, *m'inſpira une nouvelle ardeur. Dès qu'il a falu faire paroiſtre un Heros d'une nation, à la gloire & au divertiſſement de laquelle i'ay*

*conſacrè toutes mes veilles, ie me ſuis plus ſenty d'entouziaſme & de fureur divine, qu'il ne s'en eſlevoit autrefois des tripieds d'Apollon, & que ie n'en ay ſenty pour les Heros de la Fable & de la Grece que i'ay mis ſur le Theatre. Ce ſeroit icy, dans le ſtile ordinaire des Epiſtres dédicatoires, un endroit pour loüer V. M. ſans affectation, en monſtrant ſimplement que les actions les plus extraordinaires du Roman d'*AMADIS, *ne ſont que les plus ordinaires de voſtre Hiſtoire. Mais,* SIRE, *quelque loüange que ie puiſſe vous donner, elle ſeroit autant au deſſous de V. M. qu'au deſſus de moy: Ainſi i'aime mieux employer les momens qui me reſtent, à méditer de nouveaux ſuiets de Spectacles & de Divertiſſemens; où pour délaſſer l'eſprit de V. M. apliqué ſans relâche au gouvernement & au bonheur de toute l'Europe, ou du moins pour faire gouſter à vos Suiets la douceur de voſtre domination, & le bonheur de vivre dans ces ſiecles fortunez, où la politeſſe & la perfection des Arts marquent ſi bien la grandeur & la ſuperiorité de voſtre Empire. Veüille le Ciel, pour la felicité du monde entier, en eſtendre la durée bien loing dans les ſiecles à venir. Ce ſont les vœux les plus ardens de celuy qui eſt avec un tres-profond reſpect,*

SIRE,

De VOSTRE MAIESTE'.

Le tres-humble, tres-obeïſſant
& tres-fidele Serviteur & Sujet,
JEAN-BAPTISTE DE LULLY.

AV ROY.

DV premier AMADIS je vous offre l'image.
Il fut doux, gracieux, vaillant, de haut corſage.
I'y trouverois voſtre air à tout conſiderer,
Si quelque choſe à vous ſe pouvoit comparer.
La Victoire pour luy ſçeut étendre ſes aiſles.
Mars le fit triompher de tous ſes concurrens:
Paſſa-til à l'Amour, il eût le Cœur des Belles.
Vous vous reconnoiſſez à ces traits differens.
Nul n'a porté ſi haut cette double Conqueſte.
Les deux moitiez du Monde ont ſçeu vous couronner;
Et les Myrtes qu'Amour vous a fait moiſſonner
Sont tels que Iupiter en auroit ceint ſa teſte.
Tout eſt en vous enchantement.
Plus d'un illuſtre évenement
Rendra chez nos Neveus voſtre Hiſtoire incroyable.
Vos beaux faits ont par tout tellement éclaté
Que vous nous reduiſez á prendre dans la Fable
L'éxemple de la verité.

Voila, SIRE, ſur vous quelles ſont mes penſées.
Pour vous plaire, Vranie en Vers les a tracées.
Quant à moy dont les chants vous attiroient jadis;
Ie dois à Voſtre choix ce ſujet d'Amadis.
Ie vous dois ſon ſuccés, car j'aurois peine à dire
Entre Vous & Phœbus lequel des deux m'inſpire.
Ie ne puis pour m'en reſſentir
Qu'employer à vous divertir
Mes ſoins, mon art, & mon génie,
Et tous les momens de ma vie.
Veüillent dans ce projet m'aſſiſter les neuf Sœurs!
Ie le trouve aſſez beau pour donner de l'envie
Aux Chantres dont l'Olimpe admire les douceurs.
